

**STREET
CHILD**

EBOLA CRISIS UPDATE

Thanks to your generosity, Street Child has been able to provide support to over 13,000 children who have been tragically orphaned by Ebola.

We wanted to take this opportunity to write and show you the difference your support has made. It has helped Ebola-affected children gain the chance to recover from the acute and sustained trauma that they have experienced during the Ebola crisis - something they could have only dreamt about at its height. For this, we thank you.

Here's what your money has achieved:

Total number of orphans supported:

13,000

Total number of Ebola-affected children helped back to school:

17,000

Total number of family business grants distributed:

7,000

“ The Ebola Crisis does not end when the last patient walks out of hospital, as wonderful as that moment may be, It ends when the last orphans are secure in family, in school and know where their next meal is coming from. ”
